Invitation – consultation workshop on the Network Development Plan Gas 2014

Dear Sir or Madam,

On behalf of Germany's transmission system operators this is to invite you to a workshop in Berlin to mark the publication of the draft Network Development Plan Gas 2014 (NDP Gas 2014).

**The workshop will be held from 10:30am to 4:00pm on 24 February 2014
at the NH hotel, Friedrichstraße 96 in 10117 Berlin. Conference language is German.**

The German gas transmission system operators intend to publish the draft NDP Gas 2014 on 17 February 2014. The NDP is based on the scenario framework approved by the German NRA Bundesnetzagentur, and which had been elaborated by Prognos AG, and commissioned by the German transmission system operators.

For complete information on the scenario framework and the draft NDP Gas 2014 go to
www.fnb-gas.de.

The workshop aims at continuing the dialogue with all market participants, and transmission system operators would like to give you the opportunity to put questions about the NDP Gas and make suggestions. You will receive more detailed information on the workshop agenda in due time.

Participation is free of charge.

Please make a **binding registration not later than 14 February 2014** by email (info@fnb-gas.de), and feel free to forward this invitation to other interested parties. We are looking forward to your participation and to having a constructive exchange.

Kind Regards

Inga Posch
Executive Director
