

Berlin, 8 June 2021

Invitation – consultation workshop on the scenario framework for the German Network Development Plan Gas 2022-2032

Dear Sir or Madam,

On behalf of Germany's transmission system operators this is to invite you to a web-based workshop to mark the consultation of the scenario framework for the Network Development Plan Gas 2022-2032 (NDP Gas 2022).

The web-based workshop will be held from 9 am to 1 pm on 1 July 2021.

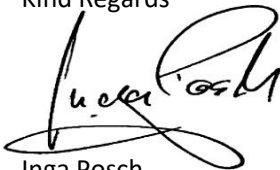

For complete information on the scenario framework for the NDP Gas 2022-2032 go to www.fnb-gas.de.

The workshop aims at continuing the dialogue with the public and is aimed at both German and English-speaking participants, for whom we offer simultaneous translation.

After registration you will receive further information regarding the process as well as the dial-in data to the web-based workshop. Please note that with registration you agree to the transfer of the participant list to the BNetzA.

Please make a **binding registration no later than June 28** by email (info@fnb-gas.de), and feel free to forward this invitation to other interested parties. We are looking forward to your participation and to having a constructive exchange.

Kind Regards

Inga Posch
Managing Director
Vereinigung der Fernleitungsnetzbetreiber e.V.

Vereinigung der Fernleitungsnetzbetreiber Gas e. V. (FNB Gas) is the association of German transmission system operators, i.e. the operators of the major supra-regional and cross-border gas pipelines. The Association was established at the end of 2012 and has operated an office in Berlin since April 2013. One main focus of the Association's activities is the Network Development Plan Gas, which has been drawn up annually by the transmission system operators since 2012. Furthermore, the Association represents its members as a point of contact for politicians, media and the public.
