Invitation – consultation workshop on the German Network Development Plan Gas 2018-2028

Dear Sir or Madam,

On behalf of Germany's transmission system operators this is to invite you to a workshop in Berlin to mark the publication of the draft Network Development Plan Gas 2018-2028 (NDP Gas 2018-2028).

The workshop will be held from 10:30 am to 4:00 pm on 20 February 2018.

Venue: Hotel Melia Berlin, Friedrichstraße 103, 10117 Berlin. Conference language is German.

The German gas transmission system operators intend to publish the draft NDP Gas 2018-2028 on 12 February 2018. The NDP is based on the scenario framework approved by the German National Regulatory Authority Bundesnetzagentur and which had been elaborated by Prognos AG, commissioned by the German transmission system operators.

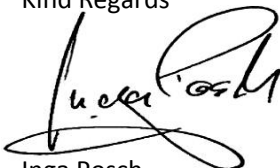

For complete information on the NDP Gas 2018-2028 go to www.fnb-gas.de.

The workshop aims at continuing the dialogue with all market participants, and transmission system operators would like to give you the opportunity to put questions on the NDP Gas and make suggestions.

Participation is free of charge.

Please make your **registration no later than 13 February 2018** by email (info@fnb-gas.de), and feel free to forward this invitation to other interested parties. We are looking forward to your participation and to having a constructive exchange.

Kind Regards

Inga Posch
Managing Director
Vereinigung der Fernleitungsnetzbetreiber e.V.

Vereinigung der Fernleitungsnetzbetreiber Gas e. V. (FNB Gas) is the association of German transmission system operators, i.e. the operators of the major supra-regional and cross-border gas pipelines. The Association was established at the end of 2012 and has operated an office in Berlin since April 2013. One main focus of the Association's activities is the Network Development Plan Gas, which has been drawn up annually by the transmission system operators since 2012. Furthermore, the Association represents its members as a point of contact for politicians, media and the public.
