## Invitation – consultation workshop on the German Gas Network Development Plan 2022-2032

Dear Sir or Madam,

On behalf of Germany's gas transmission system operators this is to invite you to a web-based workshop to mark the consultation of the Gas Network Development Plan 2022-2032 (Gas NDP 2022-2032).

**The web-based workshop will be held on 24 January 2023 from 10:00 am to 3:00 pm.**

For complete information on the consultation document of the Gas NDP 2022-2032 go to [www.fnb-gas.de](http://www.fnb-gas.de).

This workshop aims at continuing the dialogue with the public. The workshop is addressed at both German and English-speaking participants, for whom we offer simultaneous translation.

After registration you will receive further information regarding the process as well as the dial-in data to the web-based workshop. Please note that with registration you agree to the transfer of the participant list to the BNetzA.

Please make a **binding registration no later than 19 January 2023** by email ([info@fnb-gas.de](mailto:info@fnb-gas.de)) and feel free to forward this invitation to other interested parties. We are looking forward to your participation and to having a constructive exchange.

Kind Regards

Inga Posch  
Managing Director  
Vereinigung der Fernleitungsnetzbetreiber Gas e.V.

Vereinigung der Fernleitungsnetzbetreiber Gas e. V. (FNB Gas) is the association of German transmission system operators, i.e. the operators of the major supra-regional and cross-border gas pipelines. The Association was established at the end of 2012 and has operated an office in Berlin since April 2013. One main focus of the Association's activities is the Network Development Plan Gas, which has been drawn up annually by the transmission system operators since 2012. Furthermore, the Association represents its members as a point of contact for politicians, media and the public.
